LEAGUE RULES & REGULATIONS

Email confirmation period runs from midnight of the Sunday prior to the match to the Wednesday prior to the match closing @ 10pm. Relay rosters will then be emailed no later than Friday morning to participants. First relay shooters must arrive no later than 8:45am, this allows for a prompt 9am start.

All type rifles can participate, there will be two rifle classes, CMP class & "Unlimited" class.

League prize money will be paid out to both rifle classes 1st place = \$25 ; 2nd = \$20 ; 3rd = \$15

To join the league and be considered a "League Shooter" there will be a one time league fee of **\$40.**

This fee will make a shooter eligible for league prize money and X - Count match no matter how many matches are participated in. This league fee must be paid in full by the 3rd match and no new league shooters will be accepted after the 3rd match.

The 7 highest scores of the first 10 matches will be counted toward final average. If all 10 matches are shot then only the highest 7 will be used for final average. If you do not have 7 scores for record then you will take a zero for however many matches it takes to make 10 scores for final average.

Both rifle classes will be using the small targets for all positions in the first 10 league matches. The 11th match will be the sanctioned CMP match, it will not be counted for league average. The 12th and final match will be the X - Count match for all league shooters, this match will also not be counted for league average. At the X - Count match shooters will be shooting for X count only. For each X scored on CMP small targets a ticket will be put in a drawing for prize money. Each shooter can only win once - so if your name is drawn again it will be discarded and another ticket drawn.
